Sir:

In response to the Election/Restriction Requirement mailed on February 3, 2005
Applicant elects: Group I, claims 1-20 and 25-30 with traverse for further prosecution on the
merits.

It is respectfully submitted that the subject matter of each of the designated inventions is
sufficiently related that a thorough search for the subject matter of each of the designated
inventions would encompass a search for the subject matter of the remaining designated
inventions. Thus, it is respectfully submitted that the search and examination of the entire
application could be made without serious burden. See MPEP §803 in which it states that "if
the search and examination of an entire application can be made without serious burden, the

Serial No.10/813,112

Docket No. INTEL-0042

Examiner must examine it on the merits, even though it includes claims to distinct or independent inventions." It is respectfully submitted that this policy should apply in the present application in order to avoid unnecessary delay and expense to Applicant and duplicative examination by the U.S. Patent and Trademark Office.

Applicants respectfully submit that this application is in condition for allowance. Favorable consideration and prompt allowance of the application is respectfully requested.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this, concurrent and future replies, including extension of time fees, to Deposit Account 16-0607 and please credit any excess fees to such deposit account.

Respectfully submitted,
